

## Important Change in programming:

This year FCC soccer will be run a little differently than in years past. We are still offering our recreational soccer league with the same great fun and excitement, but with a little kick. FCC Soccer players will have an opportunity to participate in our free skills night. This will be held every Wednesday evening throughout the FCC Soccer season. We believe this will allow each child to grow his/her skill even greater than before! If you have any questions about this wonderful change in our program feel free to send them to:

**About our program:**

FCC youth soccer is a family event. We encourage family involvement and expect all participants and their families to show good sportsmanship both on and off the field. In addition to good sportsmanship, instilling God's word is an important part of FCC Sports. Each week your child will be given an age appropriate devotion assignment. A special award will be given to participants who choose to take part in the devotional assignments.
